Proposed Storm Sewer Alignment

1. What are your concerns regarding the proposed storm sewer alignment shown on the attached map?

2. Does the proposed alignment conflict with any structures, fences, pavement, trees, gardens, or other items located on your property?

3. The Storm Sewer alignment shown on the attached map is conceptual and it is possible that it could be revised. If the proposed storm sewer was designed on your property, are you willing to discuss granting a sewer easement to MSD?

4. Do you have any additional comments or concerns about the project?

If you would like CDG Engineers to contact you to discuss the project, please provide your name and contact information and our Project Manager will respond to you in a timely manner.
