| Katie Ostrowski | <u> X </u> |
| Joe Wrobel | _____ |

Chair Lucy Pfyl called the meeting to order at 7:01 p.m.

Fall Fest 2023 Review: We received mostly positive comments about the music, extra lighting and food and beverage. Some feedback included the idea of starting the event earlier and ending it earlier, which was noted for 2024 planning.

Pickle Ball Nets: The nets are holding up well and will be brought indoors from December 18, 2023 to March 11, 2024.

Tree Removal: Public Works/Park Commissioner Bruce Frazier is in the process of acquiring additional bids for tree removal and planting. With Arbor Day coming up soon, Katie Ostrowski is going to spearhead the 5th grade Warson Woods City-wide coloring contest. Katie has fresh, new ideas for this event. The committee floated some community gardening ideas such as a “plant swap day” and citizen participation in maintaining entrances to the City.

Memorial Park: The committee discussed a possible re-vamp of the recognition/donation program.

ADJOURNMENT

With no further business, Lucy Pfyl moved, seconded by Joe Denigan, to adjourn. On Voice Vote, the motion was unanimously approved. The meeting closed at 8:15 p.m.

Respectfully submitted,

Lucy Pfyl, Chair
